God Speaking

The man whispered, "God, speak to me" And a meadowlark sang. But the man did not hear.

So the man yelled "God, speak to me" And the thunder and lightning rolled across the sky. But the man did not listen.

The man looked around and said, "God, let me see you." And a star shone brightly. But the man did not see.

And, the man shouted, "God, show me a miracle" And a life was born. But the man did not notice.

So, the man cried out in despair, "Touch me, God, and let me know you are here!" Whereupon, God reached down and touched the man. But the man brushed the butterfly away and walked on.

The poster features a blue background. On the right side, there is a religious painting of the Virgin Mary and the Christ Child. Mary is depicted with a serene expression, wearing a red and blue robe, and a golden halo. The Christ Child is shown in profile, resting his head on her chest. On the left side, the text 'Catholic Festival of the Mother of God' is written in a stylized font. A Wonderful Story

A woman came out of her house and saw 3 old men with long white beards sitting in her front yard. She did not recognize them. She said "I think I do not know you, but you must be hungry. Please come in and have something to eat."

"Is the man of the house home?" they asked.

"No", she replied. "He is out."

"Then we cannot come in", they replied.

In the evening when her husband came home, she told him what had happened. "Go tell them I am home and invite them in!"

The woman went out and invited the men in"

"We do not go into a House together," they replied.

"Why is that?" she asked.

One of the old men explained: "His name is Wealth," he said pointing to one of his friends, and said pointing to another one, "He is Success, and I am Love." Then he added, "Now go in and discuss with your husband which one of us you want in your home."

The woman went in and told her husband what was said. Her husband was overjoyed. "How nice!!" he said. "Since that is the case, let us invite Wealth. Let him come and fill our home with wealth!"

His wife disagreed. "My dear, why do we not invite Success?"

Their daughter-in-law was listening from the other corner of the house. She jumped in with her own suggestion: "Would it not be better to invite Love? Our home will then be filled with love!"

"Let us heed our daughter-in-law's advice," said the husband to his wife.

"Go out and invite Love to be our guest."

The woman went out and asked the 3 old men, "Which one of you is Love? Please come in and be our guest."

Love got up and started walking toward the house. The other 2 also got up and followed him. Surprised, the lady asked Wealth and Success: "I only invited Love, Why are you coming in?" The old men replied together: "If you had invited Wealth or Success, the other two of us would have stayed out, but since you invited Love, wherever He goes, we go with him. Wherever there is Love, there is also Wealth and Success!!!!!!"

MY WISH FOR YOU...

-Where there is pain, I wish you peace and mercy.

-Where there is self-doubt, I wish you a renewed confidence in your ability to work through it.

-Where there is tiredness, or exhaustion, I wish you understanding, patience, and renewed strength.

-Where there is fear, I wish you love, and courage.
